## **INTRO TO LANDERHOLM IMMIGRATION, APC**

Welcome to Landerholm Immigration, APC where we fight for the rights of immigrants who are facing deportation. Our firm opened in January of 2011, and we have been growing and helping more people since that time. We passionately believe in defending the rights of good people from getting deported out of the United States. Ultimately we believe in the freedom of movement, and we want the US to be a society that loves our neighbors which means that we welcome them and do not deport them.

**REASON # 2: WE KEEP  
WINNING AWARDS!**

We've been awarded the "Rising Star" award by Superlawyers.com 8 years in a row (2012 to 2020!). We've won an award as a Top Attorney in California. We've received the Law Firm 500 award for 2 years in a row (as one of the fastest growing law firms in the United States). And we've been receiving other recognitions as well. How does this help you? We have been recognized as giving outstanding service, and we will strive to give you that same high quality of service.

**REASON # 3: MR. LANDERHOLM IS A CERTIFIED SPECIALIST IN IMMIGRATION LAW - CERTIFIED BY THE STATE BAR OF CALIFORNIA. (BAR NUMBER 271749)**

How does this help you? The certification process required Mr. Landerholm to pass an in-depth examination, show extensive experience winning complex cases, and to receive letters of recommendation from judges, attorneys and colleagues. Our firm is incredibly well trained, and we pride ourselves on winning some of the most complex immigration cases. So when it comes to immigration legal strategy, you are in excellent hands.

**REASON # 4: OUR CLIENTS LOVE US!**

We have over 100 testimonials of satisfied clients. We'll send them to you right now if you'd like. How does this help you? We want to provide the best possible service to you so that you become the next one of our happy testimonials.

**REASON # 6: EACH CASE THAT HIRES US GETS ASSIGNED ONE ATTORNEY, ONE PARALEGAL AND ONE CASE MANAGER.**

How does this help you? We believe that our outstanding success rate is due to our teamwork. We meet often about our cases, and we stay organized so that nothing falls through the cracks. We have found that to best prepare a good immigration case requires teamwork, and we are masters at it!

## **REASON # 7: WE ARE ALL MULTILINGUAL.**

How does this help you? We all understand multiple languages and we all have either lived in other countries or have intimate experience with immigrants. We love speaking with people from other countries, and we have compassion for people from all over the world.

## **REASON # 8: WE ARE HONEST.**

How does this help you? Many people have had bad experiences with attorneys in the past, and feel like the attorney has taken advantage of them. We try our utmost to be clear from the beginning about our fees, our possible strategy, and our likelihood of success in the case. We will not take your money and we will not accept your case unless we feel like we can actually help you.

## **REASON # 9: WE ARE GOOD COMMUNICATORS.**

How does this help you? Many people complain that their attorney never communicates with them. In our firm, we work as a team and we try to be proactive about communication with you. For example: even when your case is pending, we conduct a quarterly case audit, where we give each of our clients an update at least every three months regarding the status of your case. We also never charge our clients for additional follow up, additional phone calls or emails.

## **REASON # 10: WE ARE ON A MISSION!**

We strongly believe in pushing for change of our legal system to help improve the system for others. How does this help you? We are on a mission to win 10,000 cases by 2030! We are also on a mission to change immigration laws for the better! If you are interested in working with a firm that is actively engaged in legal debates and in improving the law for other members of our communities, then our firm is for you. We actively do presentations at church groups, non-profit organizations and with other

lawyers and lawmakers to educate and to push for legal change. Mr. Landerholm also has traveled to Washington D.C. and has met with members of congress to push for better laws.

**REASON # 11: OUR LEGAL TEAM IS THE BEST OF THE BEST!**

Our attorneys, paralegals and case managers are constantly conducting and attending trainings on the most up-to-date strategies with immigration law. How does this help you? Everyone wants to win their case. We want to win, you want to win, and we are dedicated to using every strategy possible to help you achieve your immigration goal and to maximize your chances of having a successful outcome in your case. We cannot guarantee any result, but we do guarantee to give our best efforts on your behalf, and our team is top-notch and ready to give you all our legal expertise.
